display and any members that served in a particular branch of the armed forces is welcome to carry that flag out to the display in a ceremony we will have for the military. Each branch had a volunteer: Ed Marcelle, Army; Jim Erb, Navy; Norm Kiaunis, Coast Guard; Chuck Hutchings, Air Force; and a volunteer for the Marines which was not named.

Any member with a weighted umbrella stand that is willing to bring it to the car show for these flags, please contact Gordon.

Each year the National Corvette Museum recognizes Corvette Clubs and Ambassadors for their efforts to promote America's Sports Car and the Museum. Awards are given for Best Website, Best Newsletter and Best Parking Lot Banner.

Donna has entered our website and newsletter in this contest, and our banner automatically gets entered since it is already hanging in the parking lot. Cross your fingers.....

FYI - Senior Citizens can get a lifetime pass for all National Parks across the country for \$10. Legislators have decided to increase this lifetime pass to \$80 the end of August. If you travel around and visit National Parks, you should go down to Bombay Wildlife Refuge east of Smyrna and get your \$10 pass. You just need proof of identity to prove you are 62 or older.

Lois Murray has volunteered to audit the club books again this year. Thanks Lois.

Chatty has work assignments out on the sign up table. Be sure to check for your name at the Sept. meeting - if missing - ADD IT !!

Fri. Sept 15th - Cruise In at Rock Hall -

This is one of our traditional events. The Rock Hall show is an old fashioned everything is welcome event in which they close off Main Street and show the cars there. Park, look at the other cars - usually about 60 and a wide variety - sit and chat with club members and people passing by. [Meet at the Royal Farms in Hartley \(intersection of route 8 and 44\) at 4:15, depart at 4:30 and cruise to Rock Hall. At 7:30 we will have dinner in Rock Hall at Bay Wolf restaurant, right around the corner from the show. After dinner cruise home.](#)

This is a shine only event. Folding chairs strongly recommended.

Sat. Sept 30th - Adopt-a-Highway road cleanup. Twice a year we patrol the Apple Grove School Road, west of Dover for goodies. The road is 1 mile long and we only walk one way. Our kind and courteous followers give us a ride back to our cars parked along the Hazletville Road.

Takes about 1 hour - and anyone wanting to goes to breakfast at Hall's in Wyoming. Signup at the Sept. meeting.

Sat. Sept 30th - Corvette Cruise-In at the Green Turtle in Dover. This is a 4-7pm social setting, come and eat your dinner, bring a chair and sit out among the trees to socialize. We do that good! Signup at the Sept. meeting.

Sat. Oct. 7 - Breakfast at the Ronald McDonald House in Wilmington.

If you have not worked the Ronald McDonald House, you are missing an experience. Kathy Messer whips her troops into a frenzy and we serve up the BEST breakfast in northern Delaware. Sign up at the Sept. meeting.

October 7-8: Trans Am racing at New Jersey Motorsports Park.

Corvettes are a huge part of Trans Am racing - both historically and now. Back when, drivers like Mark Donahue, Don Yenko, Roger Penske, Dick Thompson and many others honed their craft and made Camaro a household name with their success. Now, Camaro's have been replaced by Corvettes with Amy Reuman being the bellwether driver. Qualifying will be Saturday afternoon - often having some of the fastest lap times - and the main race will take place on Sunday. There will be opportunities to interact with the drivers, get close up to the cars get autographs etc. [We are hoping to secure parade laps prior to the start of race activity Sunday morning but this is a work in progress.](#)

[We will leave Saturday morning and drive the 2.5 hours to the park with a stop along the way. Right after lunch there is a chance to mingle with the cars and drivers and then watch the qualifying. Stay overnight in Vineland. For those who wish to go, Cape May is 45 minutes away. Sunday are the races, including the main event, then we head home.](#) Hotel info coming once we know how many are going - prices are reasonable.

Fri/Sat Oct. 13/14 - Free State Corvette Club Car Show in Ocean City, MD. Saturday is the Rally, Car Show and driving on the Boardwalk. For registration information, go to the Free State website. Norm thinks the ride down the boardwalk is \$30 per person this year. Check it out.

Fri/Sat Oct. 20/21: Corvette Racing team comes to PA. This event took place last year at the Simeone Museum and those who went loved it. This year it is being held at the Antique Auto Club of America museum in Hershey, PA. [Friday night will be dinner with Doug Feehan and many other Corvette Racing team members along with entertainment and autograph session. Saturday is a full calendar of events all revolving around Corvette and racing.](#) The AACA museum itself is worth the trip and their display of 2 levels of antique cars is truly awesome. [We will stay overnight and cruise back Sunday after breakfast at the Hershey Hotel, stopping at the PA Railroad Museum in Lancaster \(acknowledged as one of the best, if not the best in the country\) and then continue home with a scenic cruise through Amish PA countryside.](#) Hotel details to follow once the group size is known. The NCM is a co-sponsor of this so there will be people from all over attending.

Sat/Sun Oct. 21/22 - 8th Annual trip to Flight 93 Memorial. Norm has his signup sheet out early so you can rearrange your schedule to join the group. Signup sheet will be out at the September meeting. Limited to 15 cars due to motel and restaurant size.

For those that are new to the club - We leave on Saturday morning, take a leisurely drive out through Maryland on some back roads, ending

up in a nice little town, spend the night at a nice motel and have dinner at the neighboring restaurant.

Sunday morning we go to a local place for breakfast and then travel up into PA to the sight of the Flight 93 crash....a very moving trip.

Tues/Thurs Oct 31, Nov 1-2 - Another infamous VIR trip. The hotel at VIR has a minimum of 2 night stay. Closer to the date, Norm will have more information. Rev 'em up.

Sun. Oct. 29 - Mystery Lunch Cruise - this mystery lunch cruise is up for the taking. If you have a favorite restaurant that can hold 50-60 people, has a suitable parking lot and not too far away - why not take on the roll of Wagon Master and lead us to the place.....Anyone interested, contact Secretary Donna
