**Public Relations / Publicity:** The Ronald McDonald picture was in the paper. Thanks to Diane.

**Quartermaster:** Sandy has a full supply of short sleeve shirts now that the weather has changed. There are two ladies visors, going at a sale price....and don't forget your club flag for car shows and parades.

**Parade Chairman:**

**PARADES: May 5 - Dover Days Parade -** The parade this year is in conjunction with the NASCAR Race at Dover Downs. There should be more people along the parade route and they are moving the vendors, etc. from Legislative Mall to the State St. and Lookerman St. areas. Lineup is near Hazel Road again at 8:30 with Step Off at 9:30. Those attending should gather at **8am** in the vacant parking lot on Kings Highway across from the Dunkin Donuts in Dover. This is next to the construction site, there is a No Trespassing Sign on the OPEN GATE off Kings Highway and we are only meeting there to continue on to the lineup.

**PARADES: June 7, Thursday - Sudlersville Fireman's Parade and Carnival.** Parade lineup will begin at 5pm and you are requested to be there no later than 6:15. Lineup is on Route 313 north of Barclay. We've done this parade in the past and enjoyed the enthusiasm of the crown, and the carnival afterwards. Craving a sausage sandwich with onions and peppers...mmmmm

**PARADES: July 19-28 - Delaware State Fair -** We have been asked again to provide 3-4 cars each night for the Nightly Parade through the fair grounds. You and your passenger get to enter the grounds free, get to park near the race track after the parade so you can walk the fair yourself. There will be a signup sheet at the June meeting if you are interested.

**PARADES: Sept 8 - Little Creek Fire Co. 75th Anniversary** - we have been asked for 20 or so Corvettes to carry dignitaries in the parade. Anyone that knows Little Creek, you know it will be a SHORT parade. Signup sheet will appear in June.

**PARADES: Oct 14 - Bowers Beach Big Thursday** - we have been invited to attend and participate in the parade for this event. More info to come.

**National Corvette Museum** - Jim Murray's report is on the FSCC website - check out the raffles. -or- go to the museum's website for information. ...[www.corvettemuseum.com](http://www.corvettemuseum.com)

**Corvette Racing Report** - Mike Waal's report is on the website - read all the facts there - or check out [www.corvetteracing.com](http://www.corvetteracing.com)

**Committee Reports**

**Car Show Committee** - Chatty had a volunteer to be in charge of the visitors tent at the car show, Dwayne Lavender is the man! Don't forget to sell those booklet ads and we are accepting door prizes... the more the merrier. Next committee meeting on **Tuesday 5/22 at 6:30pm at Teal Construction, 612 Mary St. in Dover.**

**Scholarship Committee** - Lois Murray - This year the committee received 50 applications and will review them next week and pick the 4 winners.

**Picnic Committee** - Ann Witt told the group that the picnic will take a slight turn this year, no "Bring a Covered Dish". Rather than have 4 dishes the same and some missing altogether, the committee will have the picnic catered this year at a cost to you of \$5 per person. More details at the June meeting.

### **Old Business**

A few months ago we mentioned some changes being made to the By Laws. The changes were made to bring the By Laws up to date with activities and offices we now have in the club. Around the middle of May, the Secretary (Me!!) will send out copies of the By Laws with any and all changes made depicted in **RED**. If you want to print them out, and do not have a color printer, all the old parts of the By Laws are lined out so that should make it easier. We will vote on the changes at the June meeting. Please read carefully.....
