Committee Reports

Car Show Committee -

The next car show meeting is on Oct 17th at Teal Construction Office, 612 Mary St, Dover at 6:30pm. If you have constructive comments on this year's show, or next year's show, be sure to attend.

Car Show Chair Chatty Reed reported that this year's car show raised \$7,176.02 for our charity Home of the Brave. We had 181 cars register and participate. We have set next year's date as Sunday Sept. 9, 2018 - mark your calendar.

A motion was made and seconded to raise the amount of the donation to \$7,200 - this will make our total donation to Home of the Brave up to \$29,200. Motion passed unanimously.

Christmas Committee - Christmas Chair Ann Witt reminded everyone to sign up for the Christmas Party on Sunday December 3, 2017. It will be in the Gold Room at the Harrington Casino - \$25pp - Doors open at 5:30pm. Deadline to sign up and pay is November 19th. If you did not get a chance to pay at the October meeting, you can send you check, made out to FSCC to: Ann Witt
159 Blackburn St
Felton, DE 19943

Murphy School for Christmas - This year the club is donating to the Murphy School in Dover for Christmas. They currently have 30 residents that normally do not get much for Christmas. We will be giving a "Wish List" from each resident to a member who can purchase items from this list, not to exceed \$25, and present them to that resident. Kathy Olechny is chairing this project and would like 30 Corvettes for the 30 residents. Each child will be given a ride down to Little Creek and back in the Corvette and then given the surprise gifts from the trunk of the Corvette. These children range in age from 8 - 18. Lists at the November meeting.

The Elizabeth W. Murphey School is a non-profit group home facility in Dover, Delaware that provides services for children who have issues with dependency and/or neglect. They currently house 30 youth on campus as well as provide Independent Living services to approximately 70 young people within the community.

Past Events

Sat. Sept 9th - 4th Annual Cripple Creek Classic Car Show - Cripple Creek Golf and Country Club. Jack & Sandy Powell attended this show as did member Thomas Riebel Jr. There were 100+ cars this year.

Fri. Sept 15th - Cruise In at Rock Hall - Friday night we had 11 Corvettes travel over to Rock Hall, MD to display our cars, see some other cool cars and have dinner afterwards. Traveling were: Gordon and Ann English, Bruce and Donna Ballard, George and Maxine DeOld, Rick and Linda Baker, Melissa Ocampo, Tyler Bullock, Dennis Creese, Darlene Hurley, Frank and Linda Silvaggio, Jack and Cynthia Mason, Rich and Linda Cooke, and Jim and Lois Murray. Beautiful night for a Cruise-In. After the Cruise-In, we traveled around the block to the Bay Wolf Restaurant for some Wiener schnitzel, Salmon, Hamburgers, and even a Ruben. Very good food. See photos on website.

Sat-Fri Sept 23-29 - Fall Trip to Cape Cod, Martha's Vineyard, Nantucket, Thompson Raceway and the Berkshires.

DAY 1 - First thing on the morning of Saturday Sept. 23rd, 13 Corvettes met at the Smyrna Rest Area to start a weeklong trip north. After traveling north through Delaware, New Jersey, Connecticut and into Massachusetts, we landed at Billerica - at a Marriott - where the Vette's for Vets was organizing. They had a buffet/banquet dinner this night with silent auctions, door prizes and live auctions. It was a long day of driving - ready for a peaceful night.

DAY 2 - Our first stop on the Nantucket/Vineyard Corvette adventure and the purpose for being in that region was the Edith Nourse Rogers Memorial Veterans Hospital in Bedford, MA. Corvette Club members from MA started the Vette's to Vets event some years ago ... the event is a 5 mile + parade from a Billerica, MA staging area through neighborhoods to the hospital to display the cars on the hospital grounds , the Vets who can

come outside can vote on the cars they like best ... the fee to bring your car to the show is a selection of needed personal items .. socks , underwear , slippers, toiletries , sweatshirts , etc. from a list provided by the hospital ... this year there were 675 + Corvettes from all of the New England States , Canada and 14 from the First State Corvette Club. They were expecting enough goody bags to fill one box truck but they had to bring in another so many gifts were brought.

- Dinner was at Seafood Sam's in Sandwich, MA with several members of the Cape Cod Corvette Club. This was our first of two nights spent at the Earl of Sandwich Motel in East Sandwich. Our favorite stop.....

DAY 3 We took the high speed ferry from Hyannis to Nantucket for the day. The fog was so thick, we didn't get to see much scenery. But inside the ferry was a big party. Until the car alarms started going off - first one, then another until all the C7's were singing a rowdy tune below deck. Everyone was on their own for the day except for a 2+ hour bus tour of the island by an islander. Great tour - just ask Linda Cooke !!

After returning to Hyannis, we went to the Sea Dog Brew Pub for dinner and then back to the Earl of Sandwich.

Day 4 - Up early and headed to Woods Hole to take the Corvettes on their maiden voyage over water. They sort of crammed us into the boat but it was fun. Again foggy and no scenery. But the island of Martha's Vineyard made up for it. We landed at Oak Bluff and played ring around the rosy looking for parking to take pictures. Ate lunch at Martha's Chowder House and had the BEST clam chowder ever. After lunch we walked around Oak Bluff, taking in all the unique houses.

After lunch we took a partial island tour thru Vineyard Haven and Menemsha on our way to

Edgartown to our hotel. After checking in - I could say more but I won't - we walked downtown to the Seafood Shanty for dinner. Do you notice the word **Seafood** pops up a lot. Back to the hotel to get some sleep before more touring tomorrow

Day 5 - Again, we were up bright and early to get breakfast before the rest of the island tour ala Gordon. We went to Katama, South Beach, Beetlebung Corner, Aquinnah, and West Tisbury. We stopped along the way to see the bridge where the famous movie "Jaws" was filmed - did not get to see him..... The story was our President Gordon was an extra on the beach scene's where people ran in and out of the water when the word "Shark" was uttered. Watch for him next time you see the movie.....good luck.

Lunch was at the Aquinnah Shop, atop the gorgeous hill that overlooked the clay cliffs, a lighthouse and beautiful surf. Water was really churning due to the hurricane that just passed by...

We returned to the hotel later in the day and people could occupy themselves however they wanted while waiting for dinner at the hotel. We got a private room and boy did we need it. Chatty and Kathy Messer gave us a rendition of how not to pump gas. Early to bed, early to rise to catch the ferry back to the mainland.

DAY 6 The ferry departed from Vineyard Haven that morning taking us back to Woods Hole. From there we traveled to Thompson, CT for a drive around the Thompson Motor Speedway. Ask any of the guys and you'll get the same answer - not long enough - even though they got 10 laps....

From Thompson we went across country and ended in Sturbridge, MA. Dinner was across the street at the Oxhead Tavern where the food was great and the drinks even better

DAY 7 - There were no posting for the trip home because people left at different times and traveled at different speeds. Everyone arrived safe and sound and those with dogs, made the stop without a hitch.

Sat. Sept 30 - Adopt-a-Highway - We had a generous 12 members come out to pick up trash along the Apple Grove School Road. Beautiful day and lots of fun. Join us next time.

Thanks to Angelo Rossetti, Gordon English, Ken Messer, Donna Ballard, Dick Kisner, Richard Brown, Linda Berry, Vicki and Jim Erb, Wayne and Elaine Straughn and Rick Berry in follow up car.

Sat. Sept 30 - Corvette Cruise In at the Green Turtle, Dover - Chatty reports 15 Corvettes attended plus his Durango..... We were given the back room again for our dinner and had a great time. Be sure to attend the next Cruise In.....

Sat. Sept 30 - Milford Lions Annual Car Show

Eight members of FSCC drove to Milford Delaware to attend a fellow member, John DeRue's Lions Club car show. Fun was had by all. We had two winners at the show. Mike Copes took second place with his 1959 Corvette

in the 1950-1959 category and John Makovec took first place in the 2000-2009 category. There were approx 130 cars at the show.

Sat. Sept 30 - 9th Annual Battlefield Corvette Club Cruz In - attending were Phil McGuire, Wayne Esposito, Norm (winning Best C7 Class) and Jim & Kathy Beird winning Best C1 Class, Best in Show and 50/50 which was \$655.50. Congrats.

Upcoming Events

Sat. Oct 7 - Breakfast at Ronald McDonald
Kathy Messer is once again taking her talented chefs, servers and moppers up to the Ronald McDonald House in Wilmington to cook breakfast for the current residents. Leaving the Smyrna Rest Area at **7:45am SHARP**. If interested, contact Kathy Messer at 302-242-8436

October 7-8: Trans Am racing at New Jersey Motorsports Park.

Corvettes are a huge part of Trans Am racing - both historically and now. Back when, drivers like Mark Donahue, Don Yenke, Roger Penske, Dick Thompson and many others honed their craft and made Camaro a household name with their success. Now, Camaro's have been replaced by Corvettes with Amy Reuman being the bellwether driver. Qualifying will be Saturday afternoon - often having some of the fastest lap times - and the main race will take place on Sunday. There will be opportunities to interact with the drivers, get close up to the cars get autographs etc. [We are hoping to](#)

[secure parade laps prior to the start of race activity Sunday morning but this is a work in progress.](#)

[We will leave Saturday morning and drive the 2.5 hours to the park with a stop along the way. Right after lunch there is a chance to mingle with the cars and drivers and then watch the qualifying. Stay overnight Sat. 7th. Quality Inn in Vineland - 29 West Landis Ave, Vineland/Millville - King rooms @ \\$85.00 plus tax. Call 856-692-8070 - mention First State Corvette Club. For those who wish to go, Cape May is 45 minutes away. Sunday are the races, including the main event, then we head home.](#) Those going on Friday can be found at the Finish Line Pub Friday night.....

Mon. Oct. 9 - Beachcombers Fund Raiser at the Georgia House in Millsboro - Each year the Beachcombers host a fund raiser at this restaurant and FSCC always goes and enjoys the buffet. The times are 5pm - 7pm. The cost is \$17.00 for the buffet. We will meet at the Milford Bowling Alley on US113 in Milford at 4pm and leave by 4:14pm and travel down as a group. We need an accurate count of who is going so we can have adequate seating set aside for us.... If you did not sign up and want to go, call Donna at 302-670-1578 by Saturday 7th.

Sat. Oct 14 - Free State Corvette Club at Ocean City, MD - The car show and rally will be at the inlet parking lot in Ocean City. Starts at 9:45am and ends at noon. Boardwalk parade begins at 4pm. Drive your car down the Boardwalk or sit along the route and cheer on your favorite cars. For information on how to enter your car in the show, rally or parade - go to the website.....
<http://www.freestatecorvette.com/Home/Corvette-Weekend-17>

Members of the First State Corvette Club usually meet at the inlet parking area to view the cars and then go to lunch somewhere off the boardwalk. A favorite FSCC viewing spot for the Boardwalk Parade is the Brass Balls Saloon at Atlantic Ave and the Boardwalk. Ask around and see who's going.

Fri/Sat Oct. 20/21: Corvette Racing team comes to PA. This event took place last year at the Simeone Museum and those who went loved it. This year it is being held at the Antique Auto Club of America museum in Hershey, PA. [Friday night will be dinner with Doug Feehan and many other Corvette Racing team members along with entertainment and autograph session. Saturday is a full calendar of events all revolving around Corvette and racing.](#) The AACA museum itself is worth the trip and their display of 2 levels of antique cars is truly awesome. [We will stay overnight and cruise back Sunday after breakfast at the Hershey Hotel, stopping at the PA Railroad Museum in Lancaster \(acknowledged as one of the best, if not the best in the country\) and then continue home with a scenic cruise through Amish PA countryside.](#) Hotel details to follow once the group size is known. The NCM is a co-sponsor of this so there will be people from all over attending.

Sat/Sun Oct. 21/22 - Annual trip to Flight 93 Memorial.

For those that are new to the club - We leave on Saturday morning, take a leisurely drive out through Maryland on some back roads, ending up in a nice little town, spend the night at a nice motel and have dinner at the neighboring restaurant. Sunday morning we go to a local place for breakfast and then travel up into PA to the sight of the Flight 93 crash....a very moving trip.

Sun. Oct. 29 - Mystery Lunch Cruise - Bruce and Donna will be taking the crowd south this time - towards the beach. Need an accurate count so if you did not sign up at the meeting, call Donna by Oct 20th.

We will leave the Royal Farms on Route 1 south of Milford at 11:30am. Scenic drive and maybe the leaves will start to turn.

Tues/Thur Oct 31 - Nov 2 - Another trip to VIR. Norm is getting together a fall trip to the VIR racetrack for more vroom-vroom. If interested contact Norm.

Mon/Tue/Wed Nov. 6/7/8 - Quick Trip to the Corvette Museum in Bowling Green - Norm is arranging for a trip to Bowling Green to visit the National Corvette Museum while the crowds are down this time of year. Just a leisurely trip down and back, so if interested, sign up at the November meeting or let Norm know.

Tue. Nov. 28 - Annual Cookie Exchange - The ladies of the Corvette Club meet at Tammy Mounts house for lunch and a cookie exchange. Tammy is asking that each person bring 4 dozen of their favorite holiday cookies to exchange. We make up a platter of cookies for our two sponsors: Solloway's and Chevrolet of Dover. We will meet at 1pm for lots of talking and eating. Signup sheet will be out again at the November meeting.

Good of the Organization.

Norm wanted to let everyone know that this Saturday Oct. 7th is Georgetown's Wings and Wheels Car Show at the airport there. Anyone going from the club can cruise down together by meeting at 8am at the Renders on Rt 113 just past Milford.

Bruce Ballard is missing the rack that usually holds our banner at car shows and cruise-in's. It is two pieces of rebar with a piece of PVC pipe held together with two u-clamps. About 45-48 inches long, just fits in the back of a Corvette. Look through you things and see if you somehow ended up with it.

Add to your prayer list - Member Carl Acker is into his 9th session of Chemo and doing better. Member Joe Hughes is struggling with a bad cancer diagnosis. Please remember them with your thoughts.

Any Member wanting one of the window plaques should contact Rick Berry at berry9598@comcast.net with the information on your car.

2019 - 25th Anniversary at the Museum - Chatty is still working on plans for a Caravan to Bowling Green in 2019 for the Anniversary. This will be Labor Day Weekend. He has blocked off rooms already in the same place the group stayed on the last trip. More info to come.
