GOOD OF THE ORGANIZATION

Due to the tornado warning we did not have a quorum this month. It has been suggested that should the club ever need to cancel a meeting due to weather an email will be sent out no later than 5PM the day of the meeting.

Bruce Ballard said he would look into being able to do a group text message instead of an email or in addition to an email. It was mentioned that a mass text could be done by computer, and he will look into that also.

A big thank you to all who brought snacks for the troops. Ed Hamilton picked up all the items to box up and ship to the troops in Qatar.

Parade Chariman: Bruce –

See upcoming events for parade information.

National Corvette Museum: Ed –

Nothing currently going on at the museum

Check the museum website for raffle info.

Corvette Racing: Mike W –

Very simple – 3 cars, 2 were vettes so vettes made the podium in every race.

If you're interested in Corvette racing email Mike and he will add you to his list. He sends a report after every race.
